### Myths About Invoice Finance For Recruiters - Debunked

We found that 25% of recruiters had considered using invoice finance, but had not gone ahead due to misconceptions about what is available.

These included believing that you need a clean credit history, and thinking that you always have to give personal guarantees . . . [view our infographic](#)

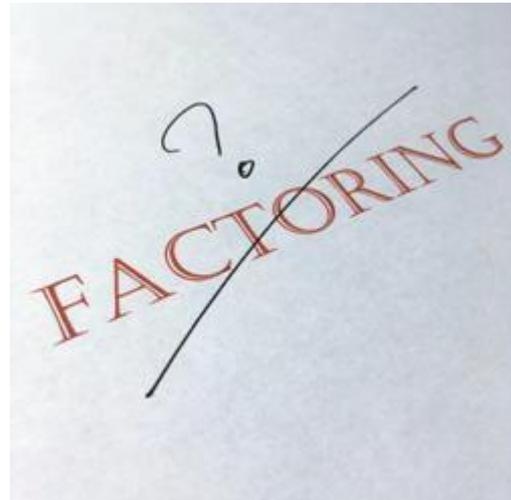

## Alternatives To Using Factoring

Most factoring users are quite happy with their choice of finance product. However, there are some that would prefer to use an alternative to factoring.

Their reasons may include reducing costs and wanting to control their own credit control function.

This article explores the alternative forms of finance that are available, depending upon what your concerns are . . . [read more](#)
