

Factoring Price Reductions - May 2017

Welcome to the May edition of FundingVoice magazine, bringing you the latest business finance offers and discounts.

This month's magazine focuses on factoring price reductions, both through research we have completed, and real practical examples of what we can save clients.

To find out how much we can save you on your factoring costs please get in touch.

With kind regards,

Glenn & Sean

Reduce Your Factoring Service Charge By Two Thirds

Yes, you read that right - two thirds.

That is the huge difference in factoring service charges quoted, for exactly the same business, in a recent price comparison.

A huge difference between the most expensive and the cheapest quotes we were given . . . [read the details](#)

50% Saving For Haulage Firm

Haulage can be highly suitable to raise money through factoring, to pay costs such as fuel, staff and vehicle expenses.

This case study is a great example of a recourse factoring price reduction that we found for a haulage company.

We managed to find them a circa 50% cost saving on their existing factoring quote . . . [read more](#)

Help If A Funding Limits Is Removed Or Reduced

If you have had a factoring funding limit removed or reduced, it can dramatically affect your ability to borrow money against a customer's invoices.

However, you should be reassured that not all factoring companies will take the same view on a particular debtor, we are likely to be able to help . . . [case study of how we can help](#)

Only Pay For Funding You Use

Tiered prepayment charging is a new, and unique, offer from one of our invoice finance partners.

It means that you pay less service charge if you use less than the full amount of funding available through your invoice finance facility.
