

"I Simply Won't Use Any Other Broker"

This month we wanted to open with a cracking testimonial that we received from one of our clients. It's probably the ultimate testimonial that a client could give us. This is what they said (click on the link to see the full testimonial):

["I simply won't use any other \[invoice finance\] broker"](#).

This month you will also find below articles about the large percentage of £1M+ companies using invoice finance, tips on getting the best prices and our free guide to moving providers.

As always, if we can help you by conducting a free, independent invoice finance quotation search for you please contact us.

With kind regards,

Glenn & Sean
