

Invoice Finance Without Minimum Fees

A special offer from one of our partners for you, in some cases they are able to [offer no minimum fees](#) and occasionally no service charge for an initial period, subject to their terms and conditions.

In this first edition of the new year we also have a number of articles about **acquisitions** we are helping find funding, changes in the **construction** sector, our free guide to invoice finance termination and cutting edge thinking about **artificial intelligence** being applied to invoice funding.

If you haven't yet provided a testimonial to help us win Best Invoice Finance Broker at the **BMF Awards** you only have a few days left to do so - we very much appreciate all those that have supported us already. **TESTIMONIALS ARE NOW CLOSED.**

The new decade is already off to a flying start here at FundInvoice, and we wish you a Happy and Prosperous New Year 2020!

With kind regards,

Glenn & Sean

Construction VAT Disruption Looms

We noticed a recent post from one of our funding partners warning of the potential disruption to 150,000 businesses within the construction sector, from the VAT "reverse charge" changes.

These are due to come into force from the 1st October 2020 . . .

[Read about the VAT change](#)

How To Make A Successful Factoring Application

How to make a successful factoring application is not just down to following a set process, there are other factors, such as the nature of your business that will play a part in the outcome.

Therefore, we have put together a few pointers to help you . . .
