Is Everyone Suffering Late Payments?

In this edition, we look at the extent to which UK businesses are struggling with late payments and what can be done. We also have a case study on how we helped a client secure factoring without personal guarantees, as well as an article on the pros and cons of this type of funding.

If you need us to check your financing rates, please call us on 03330 113622 - we can still get you funded before Christmas if you are quick!

It only remains to wish all our readers a Merry Christmas 2025 and a Happy and Prosperous New Year 2026!

With kind regards,
