An Award-Winning Year For FundInvoice

We're pleased to share that FundInvoice has won another award, recognising the practical funding support we provide to UK businesses.

Awards aside, what matters most is outcomes. Getting the right funding structure in place, on terms that make sense, and actually work day to day.

This edition brings together a look back at 2025, real client case studies, and guidance based on live funding situations we're dealing with right now, including contractors, importers, buying groups, and CHOCs facilities.

If you'd like to see more about our award, you can view it here:

With kind regards,

Glenn & Sean
